CLIENT SAYS

"I am extremely satisfied with WSP's hosting service. Starting from the sign-up process, through the shifting of my website on WSP Servers and right to the day to day managing of it, I did not have one bit of trouble. The processes are seamless and the response time is great. Nothing less than 5-stars for them."

brandstreetindia.com

Mr. Jagjit Singh
- Founder, BrandStreet India

"Thanks for the great Hosting service you gave us! And what a great download speed we have now on our websites. And last but not least for a very fair price according to this service level."

koonn.com

Mr. JCM Konings
- CEO, KOONN International

"We have two websites with WSP and I must say very good support and service. I expect the same quality service in future too"
